

Dell Latitude E5410 Screen Replacement

This guide will show you how to replace a screen on the Dell Latitude E5410.

Written By: Darby

INTRODUCTION

This guide will show you how to replace a screen on the Dell Latitude E5410.

Step 1 — Dell Latitude E5410 Screen Replacement

- Have your laptop ready with your screen pulled all they way down parallel to the bottom of the laptop.

Step 2

- Start on the top left or right corner of the screen edge and unscrew the small screws.
- Be sure to remove the rubber placeholders in order to access the screws.

Step 3

- Using the blue spudger, pry the edge around the screen off.

Step 4

- Use the Phillips screwdriver to remove the screws from corners around the screen.

Step 5

- Remove the screws from both sides.
- Once removed, they will release the screen.

Step 6

- Use the black pick to move the sensor aside.

Step 7

- Release the screen by pulling up and out.

To reassemble your device, follow these instructions in reverse order.
